English (B2 Proficiency)

UDEMY COURSES

React - The Complete Guide 2023
(incl. React Router & Redux)
by Maximilian Schwarzmüller

SOFT SKILLS

- Self-motivated
- Attention to detail
- Teamwork
- Time management
- Communication
- Creativity

PROFILE

I am a web developer who is passionate about frontend development and UI / UX design. I am always willing to learn and enhance my knowledge, especially when faced with creative and challenging tasks. I have contributed by delivering solutions in various industries, such as real estate, law and marketing.
As a person, I am organized and detail-oriented, with a keen eye for visual elements. I am also curious and communicative, which I believe enables me to work effectively within a team.

WORK EXPERIENCE

Web developer   Sept. 2019 - Dec. 2023

Roweb Development, Romania

- Implement responsive design using CSS3, JavaScript (Vue.js, jQuery) and HTML5.
- Have experience using the Vue.js framework on a real estate project.
